

🎵 A friendly reminder of some studio housekeeping rules 🌻

They help me with the business side of being a music teacher 📖

Please be mindful of these rules and thank you everyone for understanding 🌸

I greatly appreciate your regard for these studio rules 🙏

THANK YOU!

1. Your lessons for the month should be **paid in full by the first week of every month.**
2. **If you are not planning to attend the usual amount of lessons** we normally have in a month, **please tell me at least by the first week of the month, the last week of the previous month is even better.** This really helps me with planning other lessons and make-up lessons for other students as well as prevents my life from spiraling into financial and scheduling chaos.
3. **24hr lesson cancellation policy** to reschedule a make-up lesson WITHIN the same month.
4. Please understand that **I can't guarantee make-up lessons because it depends upon availability.** I always do my very best to accommodate everyone and most of the time it works out, but there may be an instance where it doesn't. However, in the event that we can't reschedule, there are **3 hours of complementary group classes for weekly students.** The **Violin Group Class** which is every other Thursday evening at 8:30pm EST and a group performance practice class (**Virtual Studio Circle**) last Friday at 7:30pm EST. These classes are sponsored by the Violin Viola Masterclass Patreon community <https://www.patreon.com/violinviolamasterclass>

Once again, thank you, thank you for reading and understanding these studio housekeeping rules! **They prevent my life from spiraling into financial and scheduling chaos.** I am so blessed to be able to work with all of you beautiful souls. I appreciate you and am dedicated to teaching you about the magical world of music!

Thank you!!!

Your Music Teacher,
